

To Whom It May Concern

On behalf of the Iran Renewable Energy Association (IrREA), we are thrilled to invite you to the 8th Iran International Conference & Exhibition (IranREC2024), taking place on **May 27-28, 2024**, at the IRIB International Conference Center in Tehran.

The world is transitioning towards a sustainable energy future, driven by climate change concerns and long-term energy security. Iran is actively involved in this global movement, aiming to **install 10,000 MW of wind and solar power within the next three years**.

Iran boasts rich renewable energy resources and has witnessed significant advancements in solar power plant equipment, particularly wind turbines and solar panels. Despite facing sanctions in various sectors, the renewable energy industry remains **open to foreign investment and operation**, creating a unique opportunity for private companies to participate in this rapidly growing market.

At IrREA, we firmly believe in fostering collaboration across borders and scales to advance the renewable energy sector. IranREC2024 serves as a platform for this collaboration, bringing together investors, companies, and experts from around the world.

To facilitate this collaboration, we invite you to the **8th Iran International Renewable Energy Conference & Exhibition (IranREC2024)**. This prestigious event brings together investors, companies, and experts from around the world, creating a unique platform for:

- **Gain valuable insights:** Learn from leading industry voices and explore cutting-edge technologies.
- **Forge new partnerships:** Discover potential collaborators and explore joint venture opportunities.
- **Expand your reach:** Gain access to the rapidly growing Iranian renewable energy market.
- **Network with key players:** Connect with government agencies, leading companies, and fellow industry professionals.
- **Showcase your expertise:** Exhibitors have the opportunity to showcase their products and services to a targeted audience at the exhibition.

We warmly invite you to join the **greatest assembly of Iranian energy activists** at IranREC2024. Your participation will not only provide valuable knowledge but also connect you with like-minded individuals who share your passion for a sustainable future.

For more information and registration, please visit: <http://irrea.ir/en/home/>

We kindly request your assistance in spreading the word about this exciting opportunity. Please share this invitation with private companies and associations active in the renewable energy field.

Should you have any queries or require additional information, please do not hesitate to contact us.

Contact person - Ms. Aida Pandeh , Tel.: +989305941761, e-mail: Pandeh@irrea.ir

We appreciate your attention and the time you have devoted to this matter.

Respectfully,

Dr. Seyed Moslem Mosavi

CEO of IrREA
